

# THE BLUE RIDGE SUN

## BRCC Sustainability Committee Newsletter

### In This Issue:

- **Adopt a Highway**
- **Bee Campus**
- **Annual Awareness Event**
- **Blue Ridge Habitat Plan**
- **Other News**

**ADOPT A HIGHWAY DAY!  
OCTOBER 27TH  
PATTON 150 ROOM AT 2:00 P.M.**

**PLEASE COME JOIN US IN KEEPING OUR CAMPUS  
AND SURROUNDING ROADS BEAUTIFUL!**

### BEE CAMPUS

BLUE RIDGE COMMUNITY COLLEGE IS NOW AN OFFICIAL BEE CAMPUS. THERE WILL BE A BEE GARDEN FOR OUR LITTLE POLLINATORS. MORE ON WHERE THEY WILL BE LOCATED, LATER.

### Annual Awareness Event

**Will be during the Spring Picnic which the date has not been decided as of yet. We plan on having a booth for BEE information. So Be sure to stop by during the activities.**

### Blue Ridge Habitat Plan

This will include a locally, native pollinator-friendly plant list with regional sources for such plans and an Integrated Pest Management Plan.

### Other News!

Students will be taking advantage of service-learning projects related to pollinators which will be part of the Environmental Science Curriculum. Courses and Workshops related to pollinators or pest management will be available to students and employees of BRCC.

#### WATER FOUNDATIONS

There are two filtered water fountains; one in the Killian Building across from the restrooms and the other one is on the 2nd floor of the Patton building. Plan is to have from 7 to 9 more filtered water fountains installed in the near future.

#### CHARGING STATIONS

There are two charging stations to be installed in the near future. One in the Patton Parking Lot and the other one at the TCC Parking Lot.
