☐ Web Technologies                                ☐ Welding Technology

Please rate this student on the following points on a scale of one to five, with five being the highest recommendation. Circle your choice.

Although this student does not have the required “3.0” weighted high school GPA, the student has better than average grades in most areas (particularly reading and math).

1   2   3   4   5

This student has shown academic improvement since his/her freshman year of high school.

1   2   3   4   5

This student has exhibited no behavior problems in my presence.

1   2   3   4   5

This student has a good attendance record.

1   2   3   4   5

In your opinion, this student would be a good candidate for the Blue Ridge program.

1   2   3   4   5

The student is making satisfactory progress toward high school graduation.

☐ Yes       ☐ No
