General Information

History

Blue Ridge Community College is one of 58 institutions that operate under the North Carolina State Board of Community Colleges.

The creation of BRCC dates back to 1963, when the North Carolina General Assembly authorized a system of comprehensive community colleges and technical institutes in areas of the state that had a need for institutions of higher learning. A few years later, the residents of Henderson County approved a bond issue and a special tax levy to provide funds for the construction, operation, and maintenance of a school facility to serve the community. Henderson County Technical Institute opened its doors in December 1969 and the first course was offered on January 8, 1970.

The first full-time curriculum classes began the following semester on September 14, 1970. Shortly after, in October of 1970, the Board of Trustees changed the name from Henderson County Technical Institute to Blue Ridge Technical Institute. Then nine years later they renamed the school Blue Ridge Technical College. The Board of Trustees approved the current name, Blue Ridge Community College 1987.

Admission

Entrance Requirements and Admissions Procedures

In keeping with the North Carolina Community College System's Open Door policy, Blue Ridge Community College enrolls students who are 18 years or older or are high school graduates or equivalent. For admission into all degree, diploma, and certificate programs, high school graduation or equivalent is required. Applicants who have not graduated from high school or otherwise fulfilled this requirement may do so by successfully completing the High School Equivalency Diploma formerly known as the General Educational Development (GED) Tests. Applicants without a high school diploma or a High School Equivalency Diploma may enroll in specific individual classes as a special credit student.

All applicants for admission are responsible for fulfilling the following steps:

1. Complete an application for admission and file with the Registrar's Office.
2. Have official copies of high school transcript and/or High School Equivalency Diploma scores sent to the Registrar's Office. Official transcripts are those with the school seal and Registrar's signature and must arrive unopened from the issuing school or agency. Students whose required transcripts have not been received will be admitted on a provisional basis for one semester. Applicants to all allied health programs who have a High School Equivalency Diploma or Adult High School diploma must also submit an official high school transcript if they completed ninth grade or higher. If transcripts cannot be obtained due to extenuating circumstances (loss by fire, school no longer exists, etc.), documentation of all efforts made by the student and a letter of explanation regarding the circumstances must be submitted to the Vice President for Student Services. Students under the age of 18 who are high school graduates or the equivalent must provide official transcripts prior to enrolling.
3. Complete a set of pre-enrollment placement tests. The College uses the College Board's NCDAP for placement testing. These tests examine the individual's levels of ability in reading, math, and English so that the student can be placed in appropriate developmental level courses if necessary. These tests are not admissions tests. Placement testing may be waived under conditions outlined in the Placement Testing Waiver Policy. Students who place into Readiness level reading will be allowed to enroll in curriculum courses for credit only after they have received appropriate remediation through the College and Career Readiness Center program. Students who test into Readiness level English and mathematics must also receive appropriate remediation prior to enrolling in curriculum courses for credit. Students who place into Readiness level math only or Readiness level English only will be allowed to take College and Career Readiness Center directed studies and/or curriculum classes with approval of their academic advisor.
4. Meet with assigned faculty advisor.

A student is officially accepted to the College when all requirements are met and the student receives written notification from the Vice President for Student Services. Acceptance to the College does not necessarily imply admission to a specific curriculum since certain programs, such as those in the allied health area, may have additional entrance requirements.

The College reserves the right to refuse admission to any applicant who is not a resident of North Carolina who seeks enrollment in any distance education course only if that applicant resides in a State where the college is not authorized to provide distance education in that State.

The College reserves the right to refuse admission to any applicant during any period of time that a student is suspended or expelled from another college or educational entity due to non-academic disciplinary reasons.

When a student self-reports on the College application (or it otherwise comes to the College's attention) that he/she is currently expelled or suspended from another college or university, the following actions will be taken:

1. The student must complete and sign a "Statement of Confidential Information Form" and submit to each college or university formerly attended. The student's signed release on this form permits the college to inform BRCC of the term and circumstances of the student's non-academic disciplinary suspension or expulsion, if any.
2. After BRCC receives the completed Statement of Confidential Information Form from all previously attended colleges, the Vice President for Student Services will review the information regarding any active suspension or expulsion and make the determination if the student should be provisionally admitted or denied admission.

The decision of the Vice President for Student Services is final.

Pre-Enrollment Placement Testing Waiver Policy

Students may waive the placement testing requirements under the following conditions:

1. Documentation of acceptable SAT or ACT scores: To be enrolled directly into first-level curriculum English or math courses, a student must have a minimum score of 500 on the applicable (English and Critical Reading or Mathematics) sections of the SAT, or a minimum of 18 on ACT English and 22 on ACT Reading or minimum of 22 on ACT Mathematics. SAT and ACT examinations must have been taken within the preceding three years.
2. Results of NC-DAP tests taken at another institution within the preceding three years and that meet the BRCC cutoff scores will waive placement testing.
3. Transfer credit (grade C or better) received from a regionally accredited institution for first-level curriculum English or math courses will be accepted in lieu of placement testing. Developmental level courses may be considered for transfer credit if taken at a North Carolina Community College within the last three

years. The student must submit an official transcript to receive transfer credit and to officially waive the need for placement testing. A maximum of 75% of the Total Semester Credit Hours in any program can be accepted in transfer.

4. For certificate programs without developmental prerequisites, testing is not required.

Pre-Enrollment Placement Testing Retesting Guidelines

In general the NC-DAP placement tests provide a reasonable assessment of a student's abilities in English, reading, and math skills. In some cases, however, students may question their placement in one or more of these areas.

Retesting: A student wishing to retake any part of the College's official placement test for any reason is allowed one retest attempt in each developmental module per semester. Students requesting a retest in a particular unit will be charged a fee for each unit in which a retest is desired. Fees are set annually by the College Trustees. Once the student has paid for the retest, he or she may receive a retest during a regularly scheduled official placement test session. Students will be placed in a course according to the better of the two test scores. Students are not allowed to retest to attempt to place out of a developmental class in which they are currently enrolled after the add/drop period has ended.

International Students

The College is authorized under federal law to enroll non-immigrant alien students. An immigrant is subject to the same considerations as a citizen. Proficiency in the English language and satisfactory academic records are important factors in the admission decision for all applicants from

outside the United States. International students must have graduated from a secondary school that is equivalent to secondary schools in the United States. The Test of English as a Foreign Language (TOEFL) with a score of 550 or above on the paper-based test or 215 or above on the computer-based version is required for all international applicants except those from countries where English is the native language or those applicants with college-level English transfer credit from an accredited United States institution. Additionally, the college pre-enrollment placement test and documentation of financial support for one year's tuition and living expenses are required of all international applicants seeking a completed I-20 Form for student visa status. International applicants should contact Student Services at Blue Ridge Community College for additional information. Alien Registration Card holders are admitted under the same guidelines used for U.S. citizens.

Students who have Permanent Residency Status do not need a student visa. They may apply and attend BRCC as Curriculum students. As part of the admissions process, students will need to present their permanent residency card.

Undocumented Individuals

The College admits undocumented individuals pursuant to the NC Administrative Code (23NCAC 02C.0301) and guidelines from the North Carolina Community College System as follows:

An undocumented immigrant with a diploma from a United States public high school, private high school, home school, or Adult High School that operates in compliance with State or local law is eligible to be admitted to Blue Ridge Community College. Undocumented individuals with a High School Equivalency Diploma do not meet these criteria and are ineligible for admission.

Undocumented students are required to pay the out-of-state tuition rate.

A student who is lawfully present in the United States will always have priority for a space or program of study over a student who is an undocumented student. Undocumented students cannot enroll into a class or program of study for which there are waiting lists and must wait until the conclusion of the last published (i.e. late) registration period to register for classes

Undocumented individuals may not be admitted into courses of study where licensure is required for employment.

Undocumented individuals who are high school students (public, private, or home school) in North Carolina who meet the eligibility criteria may enroll in college level courses consistent with Career and College Promise guidelines.

Undocumented students may enroll in non-college level courses or programs including High School Equivalency Diploma preparation courses, Adult Basic Education, Adult High School, English as a Second Language, and other continuing education courses less than college level.

Undocumented or battered illegal aliens who have been determined to meet one of the qualifying conditions set forth in Federal Law, 8 USC Section 1641, are eligible for college level courses. It is the applicant's responsibility to produce sufficient documentation to satisfy the College that the applicant is eligible for post-secondary education benefits.

Admission of Students with Deferred Action for Childhood Arrivals - (DACA) Classification

The DACA Program is the recent ruling by the Federal Government that gives undocumented persons permission to live and to work in the U.S. and not be deported for a period of two years, even though they are not in the country legally.

Persons under the DACA Program have permission to work in the U.S. and are given Social Security numbers.

Persons under the DACA Program have a card, much like the Permanent Resident Card, however, the card confirms that they are allowed to work and not be deported, only for a period of two years. The card also confirms that persons under DACA have not been given a change in their legal status.

When persons under the DACA Program apply to Blue Ridge, a photocopy of their DACA card will be required.

In North Carolina, persons under the DACA program can study at BRCC, but only under the same conditions as an undocumented person (Admission of Undocumented Individuals), with the exception that persons under the DACA Program can enroll with other lawfully present students during regular registration periods.

Persons under the DACA Program are not eligible for Federal financial aid.

Persons under the DACA Program cannot receive in-state tuition.

At Blue Ridge Community College, persons under the DACA program may not be admitted into courses of study where licensure is required for employment.

Out-Of-State Students

Applicants classified as out-of-state for North Carolina tuition purposes are admitted under the same regulations as North Carolina residents. See also Residency for Tuition.

Practicum/Clinical Requirements

Sites hosting Blue Ridge Community College students in practicum/clinical experiences may require a criminal background check, a medical release, immunization records, or additional requirements.

Provisional Students

Students applying too late to furnish pre-entrance requirements before the registration period may be permitted to enter the college as a provisional student after an interview with the Vice President for Student Services or a counselor. Once students have fulfilled all admission requirements (application, transcripts, and tests if required), they will be accepted in good standing. All students must fulfill these requirements by the end of their first semester. Note: Students under the age of 18 who are high school graduates or equivalent must provide official transcripts at the time of application for admission.

Readmission

Students with credit from Blue Ridge Community College who withdraw for any reason before completing the requirements for a degree, diploma, or certificate may be readmitted by submitting a Returning Student Form or the College application. A conference with a counselor will be required for students returning after academic probation or suspension. Programs of study are under continuous review and course requirements are subject to change as students return after an absence of one or more semesters, excluding summer term. The current academic catalog determines program requirements. See also Academic Forgiveness and Academic Probation.

Advising and Registration

Dates for registration will be published prior to the beginning of each semester. Students are expected to register on the day or days specified for each semester. In cases of late registration, absences will be counted beginning with the student's registration.

Changes in schedules must be approved by the student's faculty advisor or appropriate dean. The College reserves the right to cancel any curriculum or course for reasons of insufficient enrollment or lack of funds.

Academic Advising

This institution views student advisement as one of its most important functions. Each student is assigned a faculty advisor who is usually a faculty member from the curriculum in which the student is enrolled. Advisors assist students in selecting and scheduling appropriate classes and developing future academic and career plans. Advisors may also refer students to other available campus resources.

Students are required to meet with their faculty advisor each semester for assistance in completing an Educational Plan on BRCC's online WebAdvisor system. Advisors' office hours are posted on their office doors and on the College website. It is important that students realize that it is ultimately their responsibility to familiarize themselves with specific course and program requirements so that they may complete their goals while enrolled at the College.

Academic Advising Center

College Transfer students in the Associate of Arts and Associate of Science majors will meet with a faculty advisor in the Academic Advising Center to receive academic advising, create an Educational Plan, and/or get assistance with WebAdvisor. All other students will see an assigned faculty advisor in their program area.

Bookstore

New and used textbooks and school supplies are available in the College Bookstore located in the Killian Building on the Henderson County Campus and the Student Center at the Transylvania County Campus. Books may also be purchased online at <http://blueridge.bncollege.com>. Pursuant to the Higher Education Opportunity Act, Blue Ridge Community College is required to share required textbook information

(ISBN number and retail price) with students at the time they register for classes. This information can be found on the Blue Ridge Community College Bookstore website at <http://blueridge.bncollege.com>.

Orientation

To promote rapid and sound adjustment to the educational philosophy, program, and standards of the College, new curriculum students are required to participate in an orientation program prior to registration. The New Student Orientation can be accessed online.

Note: ACA 115 – Success and Study Skills or ACA 122 – College Transfer Success is a required course for all degree and diploma programs at BRCC. ACA 115 is not part of the Comprehensive Articulation Agreement for transferability and should be taken by students in programs that are not designed for transfer. ACA 122 is part of the Comprehensive Articulation Agreement for transferability and must be taken by all students in transfer programs. Students should preferably take the proper course for their program their first semester but no later than their second semester. Students who are enrolled as special credit students should take this course before they have completed 12 semester hours.

Prerequisites/Corequisites

Prerequisites: Prerequisites include developmental course work as prescribed by placement testing, the preceding course in a sequence of courses, or a high school course. Certain programs require prerequisite courses be completed prior to fall enrollment. The advisor and the student must discuss the waiver of any course prerequisite; any request must be made prior to the process. There must be adequate documentation, which demonstrates that the student has the ability to be successful in the course materials. Developmental course prerequisites, however, may not be waived.

The decision to waive a prerequisite course will be made by the appropriate dean after consultation with the student's advisor, the department faculty, and the student. The Vice President for Instruction, who will provide written notice to the Registrar, must approve the decision.

If a student registers for a course without meeting the prerequisite(s), the student will be officially dropped prior to the first day of class unless a waiver is granted.

Corequisites: In some cases, corequisites must be taken at the same time, such as CHM 131 and CHM 131A. In other cases, the corequisite course must be taken prior to or in the same semester as the course for which it is a corequisite. Exceptions may be approved by the appropriate dean and will be documented in the student's academic file.

Priority Registration

Priority Registration dates are published online on the College website. All currently-enrolled curriculum students are strongly encouraged to register during Priority Registration in order to get the courses they need to progress in their programs.

Registration for Continuing Education Students

Pre-registration for continuing education classes can be made in person, online, or by mail with enrollment available on a first-come, first-serve basis. Late registration is held at the first class meeting if space is available.

Special Credit Students

Students who do not wish to apply for a degree, diploma, or certificate program may enroll for individual curriculum courses upon completion of an application for admission and documentation (transcripts) of prerequisite coursework, if applicable. Special credit students who later wish to enroll in a program of study must complete all admission requirements and declare a program of study. Credit earned as a special credit student may be applied to program requirements, if appropriate.

Student Classification

A full-time student is a student enrolled in a given semester with twelve (12) or more semester hours of credit. A part-time student is a student enrolled with fewer than twelve (12) semester hours of credit. A freshman is a student who has completed less than half the required credit hours of an associate degree program and a sophomore is a student who has completed half or more of the required credit hours of an associate degree program.

Withdrawals from Courses

This policy applies to all Blue Ridge Community College curriculum courses.

Withdrawals from Courses

A. Voluntary withdrawals from curriculum courses

1. A student may only drop a class for a partial refund on or before the official 10% date of the semester. After the schedule adjustment period (first three class days of the semester), students who drop one or more of their courses on or before the official 10% date of the term must log into WebAdvisor to drop the course(s). In the case of drops prior to the official 10% date of the semester, the course(s) will not be included on the transcript.
2. Students officially withdrawing from a course after the official 10% date of the semester must see the instructor of the course or the appropriate Dean.
3. All official withdrawals must be submitted to the Registrar during the first 75% of the term. Students may not voluntarily withdraw from a class during the final 25% of the term. Students must officially withdraw from any course they stop attending in order to ensure that they will not receive an F in the course. For semester classes the 75% point occurs at the end of the 12th week. For summer term it occurs in the middle of the seventh week. Deadline dates will be published in the Student Calendar.
4. In the case of a withdrawal, the student will receive a grade of W which will not influence the grade point average, but which will appear on the student's official transcript.

5. Students receiving financial aid should notify the Financial Aid Office if they withdraw from a course or withdraw from the College.

B. Involuntary withdrawals from curriculum courses

1. Students who register for a course and do not attend classes prior to 10% of the contact hours of the course will be dropped by the instructor.
2. Any student who accumulates absences in excess of 10% of the course contact hours may be withdrawn from the class. If the student is withdrawn from a class during the final 25% of the term for excessive absences, the student will receive a grade of F.
3. The instructor may make exceptions to this policy in cases of extenuating circumstances such as serious illness or job transfer and award a grade of W during the final 25% of the term. These exceptions must be approved by the appropriate Dean and the Vice President for Instruction

Tuition and Fees

Residency for Tuition

Under North Carolina law, a person must qualify as a resident for a curriculum tuition rate lower than that for non-residents. North Carolina statute 116-143.1 requires that "To qualify as a resident for tuition purposes, a person must have established legal residence (domicile) in North Carolina and maintained that legal residence for at least twelve (12) months immediately prior to his or her classification as a resident for tuition purposes." Substantial inquiry is made on the application for admission to determine initial classification.

New applicants and returning students classified as out-of-state for tuition purposes are responsible for submitting the North Carolina Residence and Tuition Status Application to the admissions office for reclassification to in-state status. Applications are available at the Student Services receptionist desk in the Sink building. Individuals are encouraged to submit the application as early as possible. The admissions office will review the application, make a determination as to the individual's residency/non-residency status, and then will advise the individual of the decision. The change in classification, if deemed to be warranted, shall be effective at the beginning of the next academic semester following the reclassification. Applications received less than two (2) weeks prior to registration for a semester may result in a delay in reclassification until the following academic semester.

Students who provide false residency information or knowingly withhold residency information shall be deemed to have submitted a fraudulent application. Students making fraudulent application are subject to reclassification and payment of the difference between out-of-state and in-state tuition for the enrolled term(s) intervening between the fraudulent application and its discovery.

Regulations concerning the classification of students by residence are set forth in "A Manual to Assist the Public Higher Education Institutions of North Carolina in the Matter of Student Residence Classification for Tuition Purposes." A copy of the manual is available in Student Services for student inspection.

Textbooks, Supplies, and Tools

Students are required to have the textbooks, supplies, and tools prescribed in the curriculum program they are entering. New and used textbooks and school supplies are available in the College Bookstore located in the Killian Building on the Henderson County Campus and the Student Center at the Transylvania County Campus. Books may be purchased online at <http://blueridge.bncollege.com>. Pursuant to the Higher Education Opportunity Act, Blue Ridge Community College is required to share required textbook information (ISBN number and retail price) with students at the time they register for classes. This information can be found on the Blue Ridge Community College Bookstore website at <http://blueridge.bncollege.com>.

Tuition and fees paid by students do not represent the total operating expenses of the College. The balance is provided by local, state, and federal tax funds.

Tuition and fees must be paid in full or deferred through the College tuition payment plan by the published tuition payment deadline or the student's schedule will be deleted. High school students at least 16 years of age who are enrolled at least half-time in high school courses are exempt from tuition for select courses. However, all students are required to pay the student accident insurance fee, the technology fee, and the activity fee. If high school students are enrolled in Blue Ridge Community College courses offered on a high school campus, the student accident insurance fee, the activity fee, and the technology fee may be waived. The student accident insurance fee and the activity fee may also be waived for the distance learning student who does not attend the Blue Ridge Community College campus. However, it is the responsibility of the student to notify the business office of the high school or distance learning status at the time charges are paid.

Deferred Payment Plan

The College offers a deferred payment plan for curriculum students. The amount of tuition and fees that can be deferred is determined by the amount due and deferred payment plan enrollment date. Enrollment and service fees may apply. The Deferred Payment Plan is not available for summer term. Information is available from the Division of Finance and Operations or faculty advisors.

Fulfillment of Financial Obligations

Students are responsible for any and all amounts due on their account. Continuing Education students must pay all required course fees or provide an authorization letter for sponsor payment at the time of registration for the course. Curriculum students must pay all tuition and fees in full, officially enroll in the Deferred Payment Plan (Fall and Spring semesters only), have pending financial aid showing on their account, or provide an authorization letter for sponsor payment by the payment deadlines published for each semester. Curriculum students are considered to have a past due balance if a balance is still due on their account after the published payment deadline or on the last day of academic semester for which the charges are incurred. This balance could have resulted from failure to adhere to the conditions of the Deferred Payment Plan, financial aid was reduced or revoked,

or a sponsor declined payment for any reason. Failure to pay any past due balance in full may result in:

- Unable to register for any classes
- Unable to receive grades or official transcripts
- Account may be turned over to the North Carolina Department of Revenue for collection
- Account may be turned over to a collection agency where credit could be adversely affected

Attempts are made during the semester for collection through billing statements that are to be mailed for all outstanding accounts. Past due accounts will have a second notice mailed at the end of the semester. If no collection is made within 30 days of the second notice, a third and final personal letter will be sent. The letter will detail the date, purpose and amount of the debt as well as advise the student of the State policy regarding grades, transcripts and registration for future classes. If the above procedure fails within 30 days the following collection options are available to the college based on the amount past due:

- Any account over sixty (60) days past due may be turned over to the NC Department of Revenue, Set-Off Debt Unit, to collect from your NC State Tax Refund until your account is paid in full. This is in accordance with G.S. Chapter 105A of the North Carolina General Statutes, Set-Off Debt Collection Act.
- Any account over sixty (60) days past due may be turned over to a collection agency where credit may be adversely affected. Once the account has been submitted to a Collection Agency, payment must be remitted to them directly.
- Payment plans and/or other payment arrangements are not available to past due accounts.

Fees for Continuing Education Students

To comply with North Carolina law, nominal registration fees are charged for continuing education courses. The fee for each course is indicated in the schedule of courses and usually ranges from \$65 to \$175. There is no charge for volunteer rescue and lifesaving personnel or local law enforcement officers for their special extension training programs. Students are responsible for buying supplies and materials as necessary. Basic Skills programs are provided at no charge to the participants.

The registration fee for continuing education computer classes includes a \$5 computer use and technology fee. This is required and is non-refundable after the 100% refund period.

A \$10 graduation fee is charged to basic law enforcement students. A \$15 graduation fee is charged to paramedic students.

In some cases, allied health and emergency medical courses may carry additional costs such as professional liability fees and course lab fees. A complete list of fees is available from the program director/coordinator upon request.

Tax Information

There may be tax credits or deductions claimed by the student and/or parent in the form of education credits, tuition and fees deduction, and student loan interest deduction. In addition, some awarded grants and scholarships may be subject to taxation as taxable income. Students should consult their tax advisor or visit the IRS website www.irs.gov for detailed tax information.

Collection of Social Security Numbers

Blue Ridge Community College is required to collect a Social Security Number (SSN) or Taxpayer Identification Number (TIN) from all degree seeking students in accordance with Internal Revenue Service (IRS) regulation §1.6050S-1(e). The IRS also requires the College to notify all degree seeking students that if you choose not to disclose your SSN or TIN, you may personally be subject to a \$100 penalty imposed by Internal Revenue Service.

All degree seeking students will be asked to supply their SSN or TIN accurately on the Admissions application. When completing the admissions application, please include your legal name as it appears on your Social Security Card or Taxpayer Identification.

Student social security numbers will be used on Tax Form 1098-T to correctly report invoiced tuition and fee amounts to the Internal Revenue Service each year. If the SSN or TIN submitted on your admissions application was incorrect, please fill out the IRS Form W-9S that will be included in your enrollment packet and return it to the Registrar's Office. Additional information concerning IRS Form 1098-T is available on the College's website under Admissions - Tuition and Fees.

Tuition Refund Policy, Curriculum Students

Title 23 of the N.C. Administrative Code states that a 100% refund of tuition shall be made if the student officially withdraws prior to the first day of classes of the semester as noted in the college calendar. A student may drop a class for a partial (75%) refund after the first day of classes and on or before the official 10% date of the semester.

During the schedule adjustment period, which is the first three class days of the semester, students should see their adviser and sign a drop/add card to receive a refund. After the schedule adjustment period, students who drop one or more of their courses on or before the official 10% date of the term must log into WebAdvisor to drop the course(s). In the case of drops prior to the official 10% date of the semester, the course(s) will not be included on the transcript.

Students officially withdrawing from a course after the official 10% date of the semester must see the instructor of the course or the appropriate Dean

Refunds for official withdrawals from classes beginning later in the semester than the scheduled date in the academic calendar (e.g., telecourse and second session classes) are as follows: 100% if officially withdrawn before the first day the class meets; 75% if officially withdrawn prior to or on the 10% point of class. Student fees are not refundable. Questions about the College tuition refund policy should be directed to

the Vice President for Student Services. Requests for refunds will not be considered after the 10% point.

Refunds will be made to the payee's card if paid by debit or credit. If paid by cash, check or with financial aid, refunds will be processed by HigherOne, a financial services company.

When each student receives his/her green envelope from HigherOne containing his/her Blue Ridge Access Card, he/she should go online (www.blueridgeaccesscard.com) to activate the card and select the preferred refund method in order to receive the refund in a timely manner.

Refund methods offered through HigherOne include

- Direct deposit to a HigherOne checking account
- Direct deposit to another bank
- Printed paper check

If a student makes no refund selection or does not activate his/her card, a printed paper check is mailed. If no choice is made, HigherOne cannot track the refund in the event that the check is lost in the mail. Students are asked to make a refund choice for their protection.

Students who choose to open a HigherOne checking account are asked to carefully read the terms of agreement and applicable fees as when opening any bank account. More information and Frequently Asked Questions are available on BRCC's website.

Federal regulations require a refund calculation for all students receiving Title IV funds who officially withdraw from the semester on or before the 60% point in semester. Students earn a portion of the Title IV funds on a ratio of number of calendar days attended and the number of calendar days in the term. Unearned federal aid will be returned in the following order: Federal Direct Loan, Federal PLUS Loan, Pell Grant, and SEOG. NC monies will be returned according to state regulations. Institutional and outside scholarships will be fully applied to the student's account, unless otherwise restricted.

If there is a student account balance resulting from these adjustments, the student is responsible for payment.

Tuition Refund Policy, Continuing Education Students

The College may refund continuing education registration fees under the following circumstances:

1. If a student officially withdraws from the class prior to the first class session, the student will receive a 100% refund.
2. If a class is canceled due to insufficient enrollment, the student will receive a 100% refund.
3. After a class begins and a student officially withdraws from the class prior to or on the 10% point of the scheduled hours, the student will receive a 75% refund of the registration fee.

This refund is limited to the fees paid and does not include textbooks or supplies.

Students should request a refund in writing, by email, or complete a Course Withdrawal Form. Course Withdrawal forms must be received by the Continuing Education Office on or prior to the deadlines listed above before a refund can be initiated. Forms are available at the Continuing Education Office or on the College website www.blueridge.edu.

Financial Aid

Students may receive assistance through federal programs, state programs, and local scholarship funds. Funds may also be available for veterans and children or spouses of deceased or disabled veterans through the Department of Veterans Affairs. Students should be aware that some certificate curriculum programs are not eligible for federal or state financial aid, some diploma curriculum programs are only eligible for a prorated amount of federal financial aid, and some diploma and certificate programs are considered clock-hour programs for purposes of financial aid eligibility. You should check with the Financial Aid Office to see if your program of study is one of those affected.

Initial Application for financial aid should be made at the time of applying for admission to the College. Processing the results of the Free Application for Federal Student Aid (FAFSA) takes approximately two weeks; however, it may take longer if verification of information is required and corrections processed. Financial aid applications for returning students should be filed each year, preferably after US Income Taxes have been filed. Priority dates for having your financial aid file complete in order to cover charges for that term are August 1 (Fall Semester), December 15 (Spring Semester) and May 1 (Summer Term). A 'complete' financial aid file is when we have a processed FAFSA with a calculated EFC, all verification documents required have been received by our office for review, and all eligibility criteria are met. If you do not meet those dates, another payment arrangement should be made in order to hold your classes; however, your financial aid will continue to be processed. The Blue Ridge Community College Federal School code number is 009684. The Free Application for Federal Student Aid may be completed online at www.fafsa.gov.

In order to receive financial aid, students must also enroll in an eligible program, be a high school/High School Equivalency Diploma/AHS graduate, be a U.S. citizen or eligible non-citizen, and not be in default on a federal loan or owe on a Pell Grant overpayment. In addition, a student must maintain Satisfactory Academic Progress (see below).

The College is required by Federal regulations to verify the application data provided by some students. Financial aid applicants should utilize the IRS Data Retrieval Tool (DRT) to populate their income information on the FAFSA, either initially or through making a correction. If you do not or cannot use the DRT and are selected for verification, you may order a tax transcript by going to www.irs.gov and clicking on "Get Transcript of Your Tax Records" under Tools, click on the "Get Transcript Online" button and select tax return for the transcript type. This will allow you to print a tax transcript immediately. You may also order a tax transcript online or call 1-800-908-9946 and select "Option 2" and enter "2014" – either of these two options will take 7-10 business days. Other documents may also be requested by the Financial Aid Office.

Satisfactory Academic Progress for Financial Aid

Federal and state regulations require that students receiving financial aid maintain satisfactory academic progress. BRCC applies these standards to all federal and state financial aid funds in order to maintain a consistent procedure for all students receiving assistance. In order to be eligible for financial aid, students must meet the following minimum guidelines:

- Students must successfully complete at least 67% of cumulative credit hours attempted (pass rate).
- Students must maintain a cumulative grade point average of 2.00 (C) or higher at BRCC.
- Students must complete their program of study in a time frame not to exceed 150 percent of the credit hours required of the program. All credit hours attempted will be counted even if the student changes programs.

Withdrawal: Students who officially withdraw from classes (or are withdrawn unofficially by their instructor for non-attendance) should understand their withdrawal might affect their eligibility for future financial aid determined by this Satisfactory Academic Progress policy. Students who are withdrawn from all of their classes or end the semester with a 0.00 GPA will be subject to the Return of Title IV Funds Policy for the current semester.

Grades: Grades of A, B, C, D, P or CR will be considered as hours attempted and earned. Grades of F, W, R or I will be considered as hours attempted, but will not be considered as hours earned. Grades of NS or Y will not be counted as hours attempted or earned. Transfer credit hours accepted from other institutions are included in the calculation of the pass rate maximum time frame calculations.

Repeated Courses: Students are permitted to repeat a class in which their prior grade was a "W", "F", "R", or a "D". This provision may not apply to a student who is receiving VA benefits.

Concurrent Enrollment (Consortium Agreement): A student's academic progress will be calculated by BRCC as the Home Institution, with the 67% rule being calculated based on total number of hours attempted at both institutions and the GPA requirement from BRCC only.

Developmental Courses: Developmental courses (designated by course numbers below 100, e.g. DRE 097) are eligible for inclusion in receipt of financial aid, and therefore, meeting Satisfactory Academic Progress guidelines. However, a student may only receive financial aid for a maximum 30 credit hours of attempted developmental courses.

Review Process: It is the student's responsibility to be aware of his/her eligibility for financial aid. Each student's academic record will be evaluated at the end of every semester to determine their eligibility for financial aid the next term. Once a student becomes ineligible for financial aid based upon his/her failure to meet the minimum guidelines for attempted hours and/or GPA, the student will be placed on Financial Aid Warning for ONE semester. The student is eligible to receive aid during that semester. If the student fails to regain eligibility at the end of the warning semester, financial aid will be

suspended and the student must pay for their next semester of enrollment. A student's financial aid will be reinstated the next semester of enrollment after they meet both the 67% hours attempted AND the 2.00 cumulative GPA requirements, as long as they are within the 150% maximum time frame.

Appeal Process: A student who has become ineligible for financial aid due to a failure to meet the minimum guidelines for Satisfactory Academic Progress may appeal their status to the Financial Aid Office and request to be placed on Financial Aid Probation. Appeals will be considered for unusual circumstances only (i.e. an extended illness or injury, death in the immediate family, length of time out of school, etc.) and must be made in writing, stating why they failed to meet the guidelines and how those circumstances have changed. In addition, the student should provide any relevant supporting documentation (e.g. hospital/doctor verification, death certificate, etc). Circumstances that are deemed to be academic in nature or within the student's area of control are not usually considered as grounds for appeal. All appeals should be submitted to the Financial Aid Office. The student will receive a notice of approval or denial of their appeal to be placed on Financial Aid Probation in a timely manner.

Students who are placed on Financial Aid Probation may be required to meet specific criteria as outlined in an individualized Academic Plan in order to be eligible for continued receipt of financial aid. Financial aid will continue to remain in effect as long as the student meets the criteria set forth in the plan.

If the student's appeal is denied, their financial aid will be suspended and the student must pay for their next semester of enrollment. A student's financial aid will be reinstated the next semester of enrollment after meeting both the 67% hours attempted AND the 2.00 cumulative GPA requirements, as long as they are within the 150% maximum time frame. A student may appeal the decision of the Financial Aid Office by requesting, in writing, that their appeal be reviewed by the Financial Aid and Scholarship Committee.

Return of Title IV Funds Policy

Students who are withdrawn completely from BRCC should understand their withdrawal may affect their eligibility for financial aid for the current semester as well as future semesters. Federal regulations require a refund calculation for all students receiving Title IV funds who are withdrawn from all classes for the semester on or before the 60% point in semester or who complete the semester with no earned hours. Students earn a portion of the Title IV funds on a ratio of number of calendar days attended and the number of calendar days in the term. Unearned federal aid will be returned in the following order: Federal Unsubsidized Direct Loan, Federal Subsidized Direct Loan, Federal PLUS Loan, Pell Grant, and SEOG. NC monies will be returned according to state regulations. Institutional and outside scholarships will be fully applied to the student's account for attendance through the official census date of the term, unless otherwise restricted.

If there is a student account balance resulting from these adjustments, the student is responsible for payment. The student must pay this balance before they will be able to receive a transcript or are allowed to register and attend subsequent terms.

Students Receiving Financial Aid—Change of Status

Financial aid recipients must immediately notify the Financial Aid Office of any changes that may affect their status. Such changes include change of program or change of hours. Financial Aid awards will be reduced if the student remains enrolled but officially reduces enrollment status prior to the 10% point of the semester.

Types of Financial Aid

BRCC Educational Foundation Scholarships: Scholarships are provided each year to Blue Ridge Community College students through the fundraising efforts of BRCC Educational Foundation, Inc. Annual awards are made by the Financial Aid and Scholarship Committee. Students must maintain a cumulative 2.00 grade point average in order to be eligible to apply for scholarship assistance from the Foundation. Applications are available online at www.blueridge.edu/scholarships or in the Financial Aid Office.

Federal Pell Grants: Students attending Blue Ridge Community College may be eligible for Federal Pell Grant assistance. Amounts vary, and eligibility is based on financial need as determined by a formula developed by the U.S. Department of Education. Applicants must have a high school diploma, a High School Equivalency Diploma, or AHS certificate to be eligible. Students are ineligible if they have a bachelor's degree. Students with exceptional financial need may be eligible for further aid through the Federal Supplemental Educational Opportunity Grant Program. Students need to complete a FAFSA application online at www.fafsa.gov in order to determine eligibility.

North Carolina Community College Grants/North Carolina Education Lottery Scholarships: The North Carolina Community College Grants (NCCCG), and North Carolina Education Lottery Scholarships (NCELS) are administered by College Foundation of North Carolina to provide assistance to North Carolina residents demonstrating financial need. Students receiving NCCCG or NCELS must be enrolled at least half-time. Application is made through the Free Application for Federal Student Aid (FAFSA).

Educational Assistance for Veterans and Certain Dependents of Veterans: Most curriculum programs and some continuing education courses offered by the College are approved for the training of veterans. Eligible veterans and/or their eligible dependents who wish to pursue their education should contact the Financial Aid Office for application procedures and assistance.

Childcare Funds: The State of North Carolina provides limited funds to assist curriculum students with childcare. A student must demonstrate financial need as determined by the Expected Family Contribution (EFC) calculated by the FAFSA. Applications are available from the Financial Aid Office on July 1 of each year. A student must be using a licensed day care provider.

Federal Loans: Student loans are borrowed money that must be repaid with interest. BRCC participates in the William D. Ford Federal Direct Loan Program. Student loans, both Subsidized (need-based) and Unsubsidized (non-need-

based), and PLUS loans to parents are available. The amounts vary depending on the student's year in college, financial need and other aid received. Students must be enrolled at least half-time (6 credits) in an eligible program at the time of disbursement and maintain Satisfactory Academic Progress. Students need to complete a FAFSA application to determine eligibility. BRCC requires all loans to be made in two disbursements. For Fall/Spring borrowers, one disbursement is made in the Fall term and the second disbursement is made the Spring term; however, if a student borrows for a single term, one disbursement is made at the beginning of the term and the second disbursement is made at mid-term. In addition, all first-time borrowers first loan disbursements will be not be posted until after the first 30 days of the semester has elapsed.

Federal Work-Study Program: Blue Ridge Community College participates in the Federal Work-Study Program, which provides on-campus work and community service opportunities for students needing financial assistance to attend school. Work is available for qualified students to assist in the library, faculty and administrative office, and labs. Students working under this program are paid once a month for the work performed. There is limited funding for the program. Students need to complete a FAFSA application online at www.fafsa.gov in order to determine eligibility.

Federal Workforce Investment Act Grants: Individuals who are (1) unemployed/underemployed or (2) have recently been dislocated from their jobs and want to learn new skills to enter or re-enter the workforce may be eligible for WIA funding of books and tuition. Those interested should contact NCWorks at 694-1755.

Local Scholarships: Some local scholarship funds provided by interested citizens and civic organizations are available. Requirements for local scholarships vary. Interested students should apply directly with the agency or organization.

Emergency Grants and Loans: Emergency grants and loans are available to enable a student to begin or continue a program of study by alleviating a short-term lack of funds or providing temporary assistance. Preference for emergency grants and loans is given to currently enrolled students who have attended BRCC for at least one semester. There is limited funding for these programs, and students must be maintaining Satisfactory Academic Progress. These funds are not intended for those students who have failed to file their financial aid forms in a timely manner.

Veteran's Benefits Application for Veteran's Benefits

To apply for benefits, the veteran must be a fully accepted student in an approved curriculum program, Nursing Assistant or Basic Law Enforcement Training (BLET). Students eligible for veteran's benefits should follow the procedures outlined below.

1. Select a program and apply for admission to the College. All admission requirements must be completed before application for veteran's benefits can be processed. This includes submission and evaluation of all high school and college transcripts.

2. Provide the VA Certifying Official with a certificate of eligibility from the VA. Veterans and dependents of veterans make application via the online application process (VONAPP) on the VA website www.benefits.va.gov/gibill.
3. Disabled veterans attending under Vocational Rehabilitation must have the approval of a counselor at the DVA before payment of benefits may be authorized.
4. Members of the Selected Reserve and National Guard may be eligible under Chapter 1606 or 1607 to receive benefits while attending the College. Reservists must provide a notice of basic eligibility (N.O.B.E.) to the VA Certifying Official.
5. Information can be obtained by calling the Department of Veterans Affairs (DVA) Regional Office at (888) 442-4551.

The veteran's office at BRCC is located in the Sink Building on the Henderson County Campus in the Financial Aid Office. The VA Certifying Official can be contacted at (828) 694-1815 or dh_turner@blueridge.edu.

Certification of Veteran's Benefits

- Veterans must provide the VA Certifying Official with a copy of their registration each semester showing their program and the hours in which they are enrolled in order to be certified.
- Veterans cannot charge against the VA to attend class (except Chapter 31 recipients). Students should be prepared to pay out-of-pocket to attend school.
- The typical processing time is 10-12 weeks once certification has been completed.

Interruption of Veteran's Benefits Due to Unsatisfactory Progress

For the purpose of veteran's assistance, students must meet the College's academic standards for grade point average (see Catalog under Student Policies: Academic Probation and Satisfactory Academic Progress). Failure to meet these academic standards will result in suspension of veteran's educational benefits.

Students receiving veteran's benefits who are placed on suspension may appeal this decision in writing to the VA Certifying Official. Appropriate documentation will be required. A student may appeal the decision of the Financial Aid Office by requesting, in writing, that their appeal be reviewed by the Financial Aid and Scholarship Committee. Additionally, the VA may require its own appeal process separate from the College's.

Student Receiving Veteran's Benefits—Change of Status

Benefit recipients must immediately notify the VA Certifying Official of any changes that may affect their pay status. Such changes include change of program, dropping or adding of classes, or taking a course as 'credit by exam'. Benefit recipients must also notify the VA Certifying Official of address and telephone number changes.

Student Policies

Academic Forgiveness

- A. A student who has not been enrolled in curriculum courses at Blue Ridge Community College for 48 consecutive months may request in writing to the Director of Enrollment Management, a request for academic forgiveness during the subsequent semester after 12 semester hours have been completed. Under this policy, the student may request that his or her previous grade(s) of D or F not be used in calculating the cumulative grade point average (GPA).
- B. Prior to the reevaluation, the student must be readmitted to the College, register for courses, and complete at least 12 credit hours of coursework with a minimum grade point average of 2.0.
- C. Requests for academic forgiveness must specify (1) the period of initial enrollment, (2) the courses and grades considered for forgiveness, and (3) the period of non-enrollment. The Director of Enrollment Management evaluates the request for meeting forgiveness procedure guidelines and makes a recommendation to the Vice President for Student Services who is responsible for final approval.
- D. If the request is approved, all grades of D and F within the requested review period will be forgiven and will not be used for GPA computation for credits earned toward graduation requirements. Any forgiven work, if needed for completion of a certificate, degree, or diploma must be retaken. All grades will remain on the student's transcript.
- E. Academic forgiveness may only be granted once to a student. Once academic forgiveness has been granted the student will receive a letter and updated transcript from the Director of Enrollment Management. If denied, the student will be notified by letter, and there is no appeals process for a denied request. All reviews are final and irrevocable. Grades that are included in academic forgiveness are not exempt from academic progress relating to State and/or Federal Financial Aid and VA educational benefits. Courses approved for academic forgiveness do not count in degree completion and may not be recognized as "forgiven" by any other college and/or university.

Academic Probation and Satisfactory Academic Progress

The following procedures apply to those students who experience academic difficulty:

A student is considered to be making unsatisfactory academic progress, and will be placed on academic probation, when his/her cumulative grade point average falls below 2.0. A student on academic probation for one semester will be required to consult with a counselor before registering for another semester.

During this conference the counselor and student will determine that one of the following actions is required:

1. Continue with normal academic load next semester
2. Reduce academic load next semester
3. Either 1 or 2 and participate in academic assistance in the form of tutoring, counseling sessions, learning center, or other appropriate resources
4. Enroll in preparatory courses of study
5. Transfer to another program of study

Students who fail to maintain satisfactory academic progress two successive semesters will be required to consult with a counselor. As a result of this conference, the counselor, in conjunction with the academic advisor, may require the student to take one of the actions described in point 3 above. In certain circumstances the counselor, in conjunction with the academic advisor, may institute one semester of academic suspension when it appears to be in the best interest of the student. This option will be exercised only after two consecutive semesters of academic probation and when it is clear that other assistance for the student is not appropriate. Note: See Readmission.

Acceptance of Academic Credit

College credit may be awarded up to a maximum of 75% of the applicable program requirements if appropriate conditions are met by transfer credit, Credit by Examination, Advanced Placement (AP) courses, College Level Examination Program (CLEP) test scores, Regional Articulation in Vocational Education (R.A.C.E.) courses, or professional certifications. See Student Services Division for details.

Advanced Placement Courses: Blue Ridge Community College academic credit will be awarded to enrolled students who receive scores of 3, 4, or 5 on the AP tests offered by the College Board. AP credit accepted at other post-secondary institutions is not automatically transferred to Blue Ridge Community College, but is reviewed when scores are received.

College Level Examination Program (CLEP): Blue Ridge Community College credit may be granted to students who have satisfactorily passed certain CLEP tests. Credit may be considered only for those courses which have been approved by the various divisions and/or programs of the College. A listing of CLEP equivalencies is available from the Student Services Division or on the Blue Ridge Community College Website at www.blueridge.edu.

Regional Articulation in Career Education (R.A.C.E.): Blue Ridge Community College will grant advanced placement credit to high school graduates for successful completion of certain high school courses. This credit expires two years after the student graduates from high school. The requirements for each course include:

1. The student must obtain a grade of "B" or higher in the course.

2. The student must obtain a score of 93 or higher on the standardized CTE post-assessment. The student must complete all application procedures and enroll in a member institution of the NCCCS authorized to offer the applicable college courses within two years of their high school graduation.
3. The student must notify (with the method established by the community college) the appropriate admissions officer of his/her qualifications for college credit under this agreement.
4. The student must receive teacher recommendation for completed course.

Blue Ridge Community College programs eligible for advanced placement credit include: Automotive Systems Technology, Business Administration, Computer Programming, Networking Technology, Web Technologies, Computer Information Technology, Office Administration, Cosmetology, Early Childhood, Mechanical Engineering Technology, Electronics Engineering Technology, Horticulture Technology, Computer-Integrated Machining, and Welding Technology.

For information about specific courses, contact the Blue Ridge Community College Registrar or your high school counselor.

Transfer Credit: Course work transferred or accepted for credit toward an undergraduate degree must represent collegiate course work relevant to the degree, with course content and level of instruction resulting in student competencies at least equivalent to those of students enrolled in Blue Ridge Community College undergraduate degree program. This work must be documented by official transcript and must meet the minimum Blue Ridge academic standards of a grade of "C" or better. Blue Ridge Community College accepts transfer credit of course work from regionally accredited institutions only. In assessing and documenting equivalent learning and qualified faculty, Blue Ridge Community College uses recognized guides that aid in the evaluation for credit. Such guides include those published by the American Council on Education, the American Association of Collegiate Registrars and Admissions Officers, and the National Association of Foreign Student Affairs. Course work transferred or accepted for credit toward the Degrees and Diplomas which are part of the College Transfer program is governed by the North Carolina Comprehensive Articulation Agreement. Students wishing to use credit from foreign institutions for transfer may, at the discretion of the College, be required to provide foreign credential evaluation from a nationally recognized service such as "World Education Services." For further information, contact the Student Services Division.

Continuing Education to Curriculum Transfer Credit: Continuing Education course work from Blue Ridge Community College only and related to curriculum instruction may be transferred or accepted for credit towards curriculum courses in specific programs. Students must have earned a minimum letter grade of a "C", passed the final assessment with a proficiency of 70% or better or successfully passed the applicable credentialing exam. The appropriate Dean for each division will approve continuing education course material prior to official granting of curriculum credit and the "Continuing Education to Curriculum Articulation Form" will be completed based on approval from the Dean that all appropriate learning outcomes have been met. A handout outlining the specific continuing education to curriculum course equivalencies is available in Student services.

Professional Certifications: Blue Ridge Community College currently recognizes 1) the Automotive Service Excellence certification (A.S.E.) and awards credit in the Automotive Systems Technology curriculum program; 2) Basic Law Enforcement Training certification and awards credit in the Criminal Justice Technology curriculum program; 3) Emergency Medical Technology certification and awards credit in the Emergency Medical Science curriculum program; and 4) Fire Fighter certification and awards credit for the Fire Protection Technology curriculum program. A handout outlining specific course credit for certification levels is available in Student Services.

Auditing

A student who audits a course pays the normal tuition and fees. Auditing students do not take tests or examinations, nor do they receive grades, credit, or financial aid. They cannot later change the "audit" to credit. Students auditing a course must meet the same course prerequisite and attendance standards as other students. Students who audit a course and withdraw or are dropped from the course will be issued a grade of W. Students who desire to audit must inform their instructor at the first class session, complete a "Request for Audit" form, and return it to the Registrar's Office within 15 days. Audits appear on the grade report as "Y."

Certificates and Diplomas, Continuing Education Classes

Certificates and diplomas are awarded to students who successfully complete the requirements of the class and are given for certification, state testing, documentation of training, or by request of the instructor or student.

Change of Major

A student completes requirements as listed in the most current curriculum standard at the time of entry into a program of study. A change of major constitutes moving to the most current curriculum standard outlined in the College Catalog. Appropriate forms are located in the Registrar's Office or on the Blue Ridge Community College website at www.blueridge.edu.

Course Overload Policy

The minimum number of hours required to qualify as a full-time student is twelve (12) semester hours. No student may take more than twenty-one (21) semester hours without written permission from the Vice President for Student Services. Requests to take course overloads will be considered in light of the student's previous academic performance.

Any student enrolled in two or more colleges concurrently during a semester shall give each of the colleges complete enrollment information including the name of each college in which the student is enrolled, the number of credit hours taken, the class schedules, and other relevant information. Any student who exceeds 21 credit hours during a semester without prior approval of the home college or fails to give complete and accurate enrollment information shall be prohibited from taking courses at any community college for one academic year.

Course Repetitions

Curriculum Students: A student may elect to repeat courses in which "D", "F", or "R" was the assigned grade. A student may not audit or repeat a course in any curriculum for credit more than one time. The appropriate Dean must approve any exception. A student may not repeat a course for credit when transfer credit has been awarded. When a course is repeated for credit, the last grade assigned will be used in computing the grade point average unless the last grade assigned is a non-weighted grade such as W, NS or Y.

Continuing Education Students: Students who take an occupational extension course more than twice within a five-year period will be charged the actual cost of the course, currently \$6.50 per classroom hour. Students may repeat an occupational extension course more than once if repetitions are required for certification, licensure, or recertification.

Course Substitutions

Substitution of courses is generally not allowed except in extreme circumstances. Such occasions might include changes in curriculum course requirements or addition of new courses which might be more beneficial to the long-term, part-time student who matriculates over a period of several years. In such cases it is the student's responsibility to initiate a request for course substitution with the appropriate faculty advisor at the time the student is registering for the course. The form is forwarded to the appropriate dean for approval. If approved at that level, the request will then be forwarded to the Vice President for Instruction for review and final approval. If approved by the Vice President for Instruction, the request is routed to the Registrar for the student's official record. Financial aid and veterans benefits recipients may be limited in the number of course substitutions by federal regulations.

Credit by Examination

Students who can document their proficiencies in a subject area may request credit by examination. Examples of documentation include: transcript(s) of similar college level courses, record of military study, certification or licensure, or written statements from employers regarding training or directly related work experience.

Exams are comprehensive and may be taken only once. A student who has previously received any recorded grade for a course may not request credit by exam for that course. The testing instructor's decision will be final. Credit by examination appears on the grade report as "CR."

The Dean within the department offering the course is responsible for testing procedures within that department. The following procedure should be used by the student who requests credit by examination:

1. The student must be currently enrolled at Blue Ridge Community College.
2. The student must enroll in the course and attend class prior to requesting credit by examination.
3. The student must confer with his/her advisor and/or instructor regarding the procedure and documentation requirements.

4. The student must present proper documentation before permission is granted.
5. The student must complete the Application for Credit by Examination with his/her advisor and be tested within the first 15 school days of the semester.
6. The student who successfully completes credit by examination will have a grade of "CR" posted to their academic record.

NOTE: Tuition charges paid for credit by examination are nonrefundable. Federal and/or state financial aid cannot be used to pay for credit by examination classes.

Dean's List

Full-time students in degree or diploma programs can be named to the Dean's List. For the Dean's List, a full-time student is defined as a student carrying a minimum of twelve (12) credit hours for Fall and Spring semesters and nine (9) credit hours for Summer Term.

The student must have a minimum 3.50 grade point average to qualify for the semester under consideration. Grades of D, F, I, W, R, or NS will eliminate a student from the Dean's List for that particular semester. Course work completed with a grade of "CR" issued for Credit by Exam will not count towards full-time enrollment.

A list of students attaining honors will be compiled by the Registrar each semester and sent to the Director of Marketing and Communications for publication in local and pertinent hometown newspapers.

Double Major

A student may declare a double major pending approval by the appropriate Dean and the Registrar. The student's academic file will reflect both majors. Upon completion of required courses for each major, the student will receive the associate degree, diploma, or certificate depending upon the curriculum in which the student is enrolled. The second major is not eligible for financial aid or veteran's benefits.

Final Examination Policy

Final examinations are normally scheduled during the last three days of the Fall and Spring Semester. Final examinations for Summer Term are normally the last day of class. The length of the final examination is at the discretion of the instructor and the Vice President for Instruction.

General Education Competencies

The College has identified four specific college-level competencies within the general education core that are tracked for associate degree students to gauge the level of proficiency of its graduates.

Communication: Students will effectively communicate through various media.

Mathematics: Students will solve problems and communicate findings using discipline appropriate techniques and technologies.

Computer Skills: Students will properly employ appropriate computing software and technology to store, manipulate, and communicate information.

Essential Workplace Skills: Students will demonstrate attitudes and behaviors necessary to function effectively as an employee.

Grade Point Average (GPA)

The grade point is used to evaluate the student's scholarship record. Grade points are allocated to semester credit hours earned as follows:

A	4 grade points for each credit hour
B	3 grade points for each credit hour
C	2 grade points for each credit hour
D	1 grade point for each credit hour
F	0 grade points for each credit hour
P	not calculated in grade points
R	not calculated in grade points
W	not calculated in grade points
I	not calculated in grade points
NS	not calculated in grade points
Y	not calculated in grade points
CR	not calculated in grade points

A qualitative index of the student's scholarship, or overall grade point average, is obtained by dividing the total number of grade points earned by the total number of semester hours attempted in which a grade of A, B, C, D, or F is received. For example, if a student has earned 136 grade points on 48 hours attempted, the grade point average is 136 divided by 48 or 2.833.

The qualitative index of the student's scholarship in the program of study, the major grade point average, is obtained by dividing the number of grade points earned in the program of study by the total number of semester hours attempted in the program of study in which a grade of A, B, C, D, or F is received. Grade points and hours attempted for courses not in the program of study are not included in the calculation of the major grade point average.

In order to improve the ratio, a student may elect to repeat courses in which the grade assigned has been D or F. A student may not repeat courses for credit for which transfer credit has previously been granted. When a course is repeated for credit, the grade and hours earned the last time the course is taken will be used in computing the grade point average. The previous grades cannot be removed from a student's record, and the records will show all grades for all courses taken.

Grade Significance

Grades issued by the College are based upon quality of achievement of the objectives of the course being taken.

- A Represents work of definitely superior quality and is reserved for the few outstanding students. It is distinctly the honor mark.
- B Represents work of excellent quality and is recorded for those who do work which is clearly above average
- C Represents work of average quality and is recorded for those students who do average work
- D Represents work which is below the average but above failure
- F Represents work that is not of an acceptable quality
- P Passing*
- R Repeat*
- I Represents incomplete. An incomplete grade must be removed before the end of the succeeding term or the incomplete automatically becomes a grade of F
- W Represents withdrawal from a course prior to the 75% point of the semester
- NS Represents never attending a class for which a student registered
- Y Represents audit
- TR Transfer Credit
- CR Credit by Examination
- AP Advanced Placement or R.A.C.E.
- (*) Represents repeated courses; GPA refigured
- (.) Represents course not included in GPA of current program of study
- S Passing, student accomplished class objectives from "standard of progress" (for Continuing Education course work only)
- U Failing - student failed to meet course requirements and/or attend 80% of the course contact hours to be eligible for a passing grade (for Continuing Education course work only)

*These grades are assigned only for DMA, DMS, and DRE prefix developmental courses.

Grades and Grade Changes

All grades are recorded on a student's official transcript after the completion of each semester. The student will be furnished with a report of grades earned. Once grades have been awarded, they may be changed only with the written authorization of the instructor and the approval of the Vice President for Instruction.

The College has the right to set academic standards which students must meet. A student is entitled to an explanation from his or her instructor(s) for the basis of his/her grade to ensure that the grade has not been assigned in an arbitrary and capricious manner. For purposes of these Procedures, a course grade is deemed to have been assigned in an arbitrary and capricious manner if:

1. The course grade was based upon the student's race, color, religion, national origin, age, sex, disability, sexual orientation, or for some other arbitrary or personal reason unrelated to the instructor's exercise of his or her professional academic judgment in the evaluation of the academic performance of the student;
2. The course grade was assigned in a manner not consistent with the standards and procedures for evaluation established by the instructor, usually at the beginning of the course in the course syllabus but supplemented on occasion during the semester in other written or oral communications directed to the class as a whole; or
3. The course grade assigned by the instructor was the result of a clear and material mistake in calculating or recording grades.

A course grade assigned consistent with these Procedures can only be changed by the instructor; however, the instructor may be forced to change the grade if it is determined that the grade was assigned in an arbitrary and capricious manner. If a student is dissatisfied with his or her grade, the student must first meet with the instructor who assigned the grade or the supervising dean if the instructor is not available within thirty (30) business days after official posting of that grade. If the student is still dissatisfied with his or her grade, within ten (10) business days after the meeting with the instructor, the student may file a grievance pursuant to Student Grievance Procedure and Due Process section of this catalog.

Graduation Requirements

The student will be held responsible for fulfilling all requirements for the degree, diploma, or certificate. In order to graduate, students must:

1. Achieve a minimum grade point average (GPA) of 2.0 in their program of study.
2. Apply to the Registrar's Office for the degree, diploma, or certificate during registration for the last semester of enrollment or no later than October 31 or January 31.
3. Fulfill all financial obligations and admissions requirements to the College.
4. Complete a minimum of one-fourth (25%) of the required credit hours as a student at Blue Ridge Community College.

Candidates for graduation from degree, diploma, and certificate programs are required to participate in graduation rehearsal and exercises unless excused by the Vice President for Student Services. A written request must be submitted to the Vice President for Student Services. Students who complete requirements for degrees, diplomas, or certificates will be eligible to graduate at the next scheduled graduation ceremony following the semester during which requirements are completed.

Prospective graduates can purchase commencement announcements and caps and gowns in the Bookstore.

Incompletes

Incomplete indicates failure to complete certain course requirements because of extenuating circumstances. All incompletes must be removed before the end of the succeeding term or the incomplete automatically becomes a failure. The student is responsible for completing requirements when an incomplete "I" grade is issued. Two or more incompletes in a semester will result in the student being required to carry a reduced load the following semester. Students with three or more incompletes may register for the following semester by special permission only. Incompletes will be counted as hours attempted and not earned for Satisfactory Academic Progress in determining financial aid eligibility.

Licensure

Graduates of certain Blue Ridge Community College programs, such as Associate Degree Nursing and Cosmetology, are eligible to sit for licensing examinations. Surgical Technology graduates will take the National Certification Examination administered by the National Board of Surgical Technology and Surgical Assisting (NBSTSA) within thirty (30) days of completion. However, the College assumes no responsibility for the administration of these exams. Students are encouraged to inquire about the possibility of licensing prior to entering a program of study.

Second Degree, Diploma, or Certificate

A graduate who holds one associate degree or diploma may earn a second associate degree or diploma by taking additional work equal to at least one-fourth (25%) of the total credit hours for the second degree or diploma and by meeting all requirements for the second degree or diploma. Transfer of Blue Ridge Credits to Senior Institutions

As an accredited community college, courses from the College Transfer programs (Associate in Arts, Associate in Science, and Associate in Fine Arts) transfer to senior institutions throughout the state and country. Transfer of courses between institutions in the North Carolina Community College System and the University of North Carolina is governed by the Comprehensive Articulation Agreement developed by the two systems. Courses are approved for transfer through the Comprehensive Articulation Agreement (CAA). For more detailed information on transferring to Senior Institutions, please contact the Transfer Coordinator in the Student Services Division.

In addition to the comprehensive articulation agreement, many senior institutions in the area have prepared transfer equivalency lists which demonstrate how Blue Ridge Community College courses match courses at their institution. More information is available from the Transfer Coordinator in the Student Services Division.

In addition to courses in the College Transfer Program, many courses in the technology programs (Associate in Applied Science) transfer to certain senior institutions. Other colleges have signed agreements whereby they will accept graduates of Blue Ridge Community College technical programs, normally granting the student junior status. Details on transfer agreements, including those in progress but not approved prior to publication of this catalog, are available from the Transfer Coordinator in the Student Services Division. It is important that students consult with the four-year institution of choice about transfer procedures as early as possible during their enrollment at Blue Ridge Community College. It is always the prerogative of the receiving institution to accept or reject transfer credit.

Students who plan to transfer to a member institution of the University of North Carolina system should be aware that the NC General Assembly requires UNC schools to impose a tuition surcharge of 50% on students who a) take more than 140 degree credit hours to complete a Baccalaureate degree in a four-year program or b) take more than 110% of the credit hours needed for a five-year baccalaureate degree program. All hours attempted at a community college in North Carolina, with the exception of developmental coursework, add to the number of credit hours that apply to this policy. More information may be found at <http://registrar.unc.edu/registration/registration-guide/fifty-percent-tuition-surcharge>.

Transfer to Another Program Within BRCC

All transfers within the College will be carefully considered on an individual basis, with special attention being given to the student's past academic record.

Students granted internal transfers of program will be given credit for courses taken in their previous programs that are comparable or identical to courses offered in their new program, provided their grades meet minimum college academic standards.

Grades of "D" or better for all identical courses will be transferred and will be included in the grade point average of the new program. Courses with grades of "C" or better will be transferred for all comparable courses and will be included in the total hours completed in a program but will not be included in the computation of the grade point average. Students receiving financial aid should notify the Financial Aid Office if they transfer to another program.

Tutoring

The Peer and Volunteer Tutoring Program provides additional support to all students at the College. Free tutoring is available in most subject areas by trained, instructor-recommended tutors. For more information, students should contact their instructor or the Student Success Center on either campus.

Smarthinking

Smarthinking, an online tutoring service, is available free for distance learning and traditional students. More information is posted on the website at blueridge.edu/smarthinking.

Unit of Credit

The unit of credit at Blue Ridge Community College is the semester hour. The school year consists of two 16-week semesters (fall and spring) and a 10-week summer term. For full semester (16-week) fall and spring semester classes, credit hours may be computed by the following formula:

1 classroom hour per week = 1 semester credit hour

2 laboratory hours per week = 1 semester credit hour

3 manipulative laboratory hours per week = 1 semester credit hour

10 work experience (cooperative education) hours per week = 1 semester credit hour

For 10-week summer term classes, classroom, laboratory, manipulative laboratory, and work experience hours are multiplied by 1.6 to receive the same credit. Classes offered in shorter formats (4 week, 8 week, etc.) receive the appropriate proportional credit. The credit value of a given course may be found by consulting the course descriptions in this catalog.

Continuing Education Units: Continuing Education Units (CEUs) will be awarded to those persons satisfactorily completing any of the courses listed as offering a specified number of CEUs. One CEU is defined as ten contact hours of participation in an organized continuing education experience under responsible sponsorship, capable direction, and qualified instruction.

A permanent record of each person's CEU attainments will be maintained. Individuals, firms, and professional organizations may use compilations of CEUs to provide measures of recognition for non-credit educational achievements.

Campus Security

Campus Security serves the safety and security needs of the College. It is the mission of Blue Ridge Community College to provide the safest educational environment possible for faculty, staff, students, and visitors at Blue Ridge Community College campus locations.

9-1-1 Emergency Services should be contacted in any situation involving imminent harm or threat to self or others.

Crime awareness is a collective responsibility of the College, its staff, faculty, students, and visitors. All must recognize that they must take individual steps to protect themselves from becoming the victim of a crime and to promote security on campus and at College events.

Access to Campus Facilities: All Blue Ridge Community College campus locations are open to faculty, staff, students, and visitors during normal operating hours. Access during closed hours will be governed by prior arrangements with the Technology and Development Division for community groups and with the College vice presidents for employees. All persons, while on the premises, are expected and required to obey all federal, state, and local laws and ordinances, as well as College procedures governing appropriate conduct. Persons in violation of the above will be subject to any action deemed appropriate by competent authority.

Campus Law Enforcement/Campus Security: Blue Ridge Community College provides a Sheriff's deputy on the Henderson County Campus and Transylvania County Campus. This officer coordinates with the Director of Safety and Security. Law enforcement support agencies include the N.C. State Bureau of Investigation, N.C. State Highway Patrol, Henderson County Sheriff's Office, Transylvania County Sheriff's Office, Brevard Police Department, and other appropriate agencies.

Criminal Activity Reporting: Known or suspected violations of federal and state criminal laws should be reported to 9-1-1 if the violation is in process, then to the Campus Security at (828) 243-9950 or the College Switchboard (Henderson County Campus: (828) 694-1700, Transylvania County Campus: (828) 883-2520). Upon notification by Security or the Switchboard of criminal activity, an assigned administrator will involve the appropriate law enforcement agency and file the required documentation with the College administration. Responsible administrators will review campus crime reports to ensure that the data required by the Crime Awareness and Campus Security Act is compiled and disseminated to the College community. Examples of criminal activity to be reported: larceny, theft, assault, threat, fight, vandalism, disorderly/disruptive behavior, and suspicious person, vehicle or activity.

Criminal Activity at Off-Campus Student Organizations: Criminal incidents occurring off-campus including students participating in a College function should be reported to the law enforcement agency having jurisdiction. The Vice President for Student Services should be informed of the incident as soon as possible.

Other Incident Reporting: For non-criminal incidents such as accidents, major injuries, illness or fire, first call 9-1-1, then call the College Switchboard (Henderson County Campus: (828) 694-1700, Transylvania County Campus: (828) 883-2520). Switchboard will notify the Emergency Response Team.

Current Statistics Concerning Crime on Campus: In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (The Clery Act), Blue Ridge's Annual Crime Statistics includes data for the previous three years concerning reported crimes that occurred on or around the campus. Data is updated each year in October and can be found at ope.ed.gov/security/.

Please contact the Director of Safety and Security for more information regarding crime statistics.

Registered Sex Offenders on Campus: The Federal Campus Sex Crimes Prevention Act requires registered sex offenders/predators to provide to the Henderson County or Transylvania County Sheriff's Office notice of each institution of higher education in the state at which the offender/predator is employed, carries on a vocation, or is a student. Morning announcements will be made by 6 a.m. A separate announcement about evening classes will be made by 2 p.m.

Delay or cancellation of classes may not always coincide with announced closings of local public schools, colleges, or governmental agencies. To that end, the College endeavors to give faculty members the freedom to conduct individual academic affairs in accordance with each member's best judgment.

The content of most college courses is designed for mature learners. Parents of minors who take college level courses should be aware that these students may be exposed to frank portrayals of world events, history, and controversial events that take place in contemporary society. It is each parent's responsibility to determine if the student is mature enough to participate in advanced studies at the college level.

Academic Honesty

Blue Ridge Community College operates under the premise of academic honesty. The policy is that plagiarism and cheating are prohibited. Whereas it is the instructor's responsibility to create an environment in which academic honesty is expected, it is the student's obligation to uphold this policy.

A student is responsible for authenticating any assignment submitted to an instructor. If asked, the student must be able to substantiate to the instructor's satisfaction that the assignment submitted is actually his/her own work. The instructor may employ various means of ascertaining authenticity - such as requiring photocopies of source documents, requiring copies of all drafts of the work, engaging in Internet searches, creating quizzes based on student work, requiring the student to explain the work and/or process orally, etc.

A. Academic Honesty Policy: A student who violates the academic honesty policy, either directly or indirectly, is immediately responsible to the instructor of the course. The following terms are defined:

Cheating: Cheating is defined as the act of practicing or attempting to practice dishonesty or deception in the taking of tests or in the preparation or submission of academic work purporting to be one's own. It includes any of the following actions without instructor permission: (a) copying or attempting to copy from another person's test, paper, online file, or other graded work in a course; (b) allowing someone to copy one's test, paper, online file, or other graded work; (c) using during a testing period, or bringing into a testing area with the intent to use, any notes or other materials which a student is not permitted to consult; (d) creating, falsifying or misrepresenting any data in connection with a seated (traditional) class, lab or online class or the act of giving any unauthorized assistance or collaboration in a learning environment.

Plagiarism: Plagiarism is defined as the act of copying a sentence, several sentences, or a significant part of a sentence that has been written by someone other than the person submitting the paper, and then neglecting to indicate, through the use of quotation marks or blocking, that the material has been copied. Plagiarism includes copying from another writer in such a way as to change one or two words in the sentence, or to rearrange the order of the wording, or to paraphrase, or to summarize information and then neglect to furnish documentation. Failure to cite sources, when appropriate, is a form of dishonesty.

Online Identity: Any student registered in an online or hybrid course(s) will be the same student who participates in and completes the course or program and receives the credit for the online course. Further, any student who allows his/her unique username and password to be used by another individual to complete an assignment or participation within the course will be in violation of this policy.

The acts of cheating and/or plagiarism shall encompass, but shall not be limited to the examples or context cited above.

B. Violations of Academic Honesty: In situations involving violations of academic honesty, the student's instructor will take disciplinary actions that may include but are not limited to the following:

1. A written warning describing the offense and detailing further consequences should the infraction be repeated.
2. The instructor may assign a failing grade ("F" or "zero") for the course, any portion of the course, or a single assignment. If the course serves as a prerequisite for

sequential courses within the curriculum, the student will not be able to progress in the program of study until completing the course with a passing grade.

3. Referral to the Vice President for Instruction for further disciplinary action.

The President or the President's designee may suspend or expel a student if there are repeated violations of the Academic Honesty Policy.

A student charged with a violation of the Academic Honesty Policy retains the rights of appeal contained in the Student Grievance Procedure and Due Process section of this catalog.

Accountability Statement

Each student at Blue Ridge Community College shall:

1. Accept the stated philosophy and purpose of the College as a standard for student rights and responsibilities while enrolled;
2. Be responsible for abiding by the regulations designed to promote an atmosphere conducive to learning;
3. Agree to share this responsibility with the faculty and administration of the College for the creation of an effective learning environment;
4. Remain informed about the objectives of each course, work diligently to complete those objectives, and at all times observe class and institutional policies and procedures;
5. Recognize that failure to live up to class and institutional policies and procedures could jeopardize his/her standing as a student at Blue Ridge Community College; and
6. Acknowledge by signature on the application for admission to Blue Ridge Community College, acceptance of these responsibilities.

Attendance

Regularity of class attendance is necessary in order to receive maximum benefits from the program offered and for maintenance of a satisfactory academic record. Whenever students' attendance or punctuality endangers their own success or that of other students, they may be dropped from the course. Two tardies may constitute one contact hour absence. Students will normally be dropped after they have accumulated a combination of excused or unexcused absences exceeding ten percent of the scheduled class contact hours for the semester. The instructor may make exception in cases of extenuating circumstances such as a disabling accident or illness. A student is expected to confer with each instructor before anticipated or after unavoidable absences. The responsibility for making up class work rests entirely with the student.

Continuing education students are expected to attend class regularly. Instructors maintain attendance records. Insufficient enrollment will result in cancellation of the class.

Closings or delayed openings of the public school system in Henderson and/or Transylvania Counties may not correspond with closings or delayed openings of Blue Ridge Community

College. High school students who are dependent on transportation provided by the public school system may be unable to attend class on days that the public schools are closed or delayed if Blue Ridge Community College is on a normal schedule. Absences caused by this situation will not be considered in the students' class attendance for drop purposes, nor will the absences be included in the determination of a grade for participation of which class attendance is a part. The responsibility for making up class work rests entirely with the student, and it is the student's responsibility to communicate to the instructor that they are dependent on public school transportation.

Religious Observances: Students are permitted to be absent from class for religious observances required by the student's faith. Two days during the academic year may be approved as excused absences. Students must consult with their instructors during the first week of class and acquire a request form for excused absences for any regularly scheduled religious observance. Information is also available in the Office for Student Services and the Office for Instruction.

Campus Parking and Traffic Regulations

Sheriff's deputies are employed to enforce the parking rules and traffic regulations on the Henderson County Campus. State and local law enforcement agencies will prosecute for violations of applicable laws on campus. The North Carolina Highway Patrol will enforce laws along state roads leading to the College and will investigate traffic accidents in parking lots and on campus access roads. In case of accident, call Security, which will verify the exchange of information, provide advice and counsel and help decide if an accident report is needed. Security can also jump start vehicles, call a locksmith, or otherwise assist with vehicle problems.

Parking on campus does not require a parking sticker. Blue Ridge Community College decals are available, however, for students, faculty and staff who would like to display them. Temporary handicapped decals, valid only on campus, may be obtained from Security with permission of the Director of Safety and Security. Park only in designated parking places, obey posted parking and traffic signs, and observe flow-of-traffic arrows and "stop" markings painted on paved roads and lots. Citations may be issued for the offenses listed below. A copy of each campus citation is kept on file in the office for the Director of Safety and Security, and repeat offenders may be required to park off campus. In emergency situations and for repeat offenders, illegally parked vehicles may be towed at the expense of the owner.

Parking Offenses

- Parking in Unauthorized Areas
- Double Parking/Blocking Vehicle
- Speeding in Excess of 25 MPH
- Failure to Yield to Pedestrian
- Reckless Driving
- Parking in Handicapped Space
- Parking in Visitor Space

Questions about College parking regulations should be directed to Security or the Director of Facilities Management.

Student email is an official means of communication between student and instructor. It is the property of the College and should be used only for institutional purposes. When a student submits an application to the college for a curriculum program of study, he/she will be issued a free student e-mail account.

The wireless Internet access provided to visitors of the BRCC campuses is for use free of charge and is limited to web and email access to off-campus hosts and web access only to on-campus hosts.

For guest users, wireless Internet access is provided on an "as is" and "as available" basis. Individuals violating these guidelines will immediately lose their access rights; other disciplinary action may also be taken by the College.

The College reserves the right to inspect all information on the network in order to ensure compliance with these policies, applicable laws, and regulations.

Users should not assume that any use not listed is otherwise excluded. Questions regarding whether a specific use is permitted should be referred to the Director of Information Technologies, Director of Media Services, or the Director of Learning Technologies.

BRCC departments may have additional rules relative to computer or equipment use in their respective areas. Users are expected to abide by such rules.

The College will investigate the complaint and take appropriate action to quickly coordinate an investigation, remedy the situation, and prevent its recurrence. Actions may include, but are not limited to, disciplinary action. Complaints about the Vice President for Student Services should be made directly to the President who will delegate the investigation to another Vice President.

Institutional Responsibilities to Third Party Recipients of Certain Services

As a part of their normal training, students in human service programs are engaged in activities where the health and well-being of persons outside the school are involved. Under these conditions the institution incurs a moral and legal obligation concerning the student and the recipient of his/her services.

To ensure the safety of the third party recipients the institution may suspend, expel, or refuse to enroll any such student who:

1. Presents problems in physical or emotional health which do not respond to appropriate treatment and/or counseling within a reasonable period of time

2. Demonstrates behavior which conflicts with safety essential to nursing and/or child care.

Student Conduct

A student enrolled at Blue Ridge Community College may rightfully expect that the teachers and administrators will maintain an environment in which there is freedom to learn. This requires that there be appropriate conditions and opportunities in the classroom and on the campus.

Students at Blue Ridge Community College assume an obligation to conduct themselves in a manner compatible with the College's function as an educational institution. It is expected that the student will adhere to the rules and regulations as may be established by the College and the student body, and that the student will respect the rights, privileges, and property of other members of the institutional community. Students are responsible for their own conduct, and violation of established rules and regulations may subject them to disciplinary measures or dismissal.

The College has adopted basic standards of student conduct and when these standards are violated penalties may be incurred. Consequences for violations include warning, fine, loss of privileges or campus resources, probation, restitution, suspension, or expulsion. The College reserves the right to withhold academic records or to deny registration for subsequent semesters. When any of these penalties are applied, students are afforded due process as described in the Student Grievance and Due Process section of this catalog. If a student's behavior simultaneously violates both College regulations and the law, the College may take disciplinary action independent of that taken by legal authorities.

Types of student conduct for which disciplinary proceedings may be initiated include but are not limited to the following:

1. **Disruption of School:** A student shall not by use of violence, force, noise, coercion, threat, intimidation, fear, passive resistance, or any other conduct intentionally cause the substantial and material disruption or obstruction of any lawful mission, process, or function of the school. In cases where suspension or expulsion are possible, the following procedures apply:

1. The President, or the President's designee, may suspend or expel a student if in his/her judgment it is necessary to remove the student from the instructional site so that teaching can continue without interruption.
2. If the student appeals the suspension decision, and in all cases where suspension is longer than ten (10) days or expulsion is appropriate, the student will receive written notice describing the charges against him/her and the nature of the proceedings.
3. The student may, within ten (10) business days of receipt of such notice, request, in writing to the President, a hearing before the Judicial Board. A hearing will be convened pursuant to the Student Grievance Procedure and Due Process section of this catalog.

Student Grievance Procedure and Due Process

Any Blue Ridge Community College student has the right to be officially heard in matters where they have general grievances and for which there is no other approved grievance or review process.

To ensure that the grievance is given proper attention, the student should follow these steps:

1. Student initiated grievances should first be directed to the appropriate dean and then to the applicable vice president. Should there be no satisfactory resolution following a conference with the applicable vice president, the student may initiate a formal grievance by submitting in writing to the President, within ten (10) business days of the conference, a request for a hearing before the Judicial Board. The student shall state the grievance, the remedy desired, the efforts made to remedy the matter, and any other pertinent information.
2. The Vice President for Student Services shall convene and chair the Judicial Board except in cases where the grievance involves the appeal of a decision made or upheld by the Vice President for Student Services. In such cases, the President shall appoint another vice president to take the place of the Vice President for Student Services.
3. The Judicial Board shall consist of three (3) members: The Vice President for Student Services (or Presidential designate); one faculty member appointed by the President, who is not an interested party in the issue to be heard; and the President of the Student Government Association (SGA) or his/her designee who is also a member of the SGA.
4. The hearing shall be scheduled within ten (10) business days of receipt of the student's written request for a hearing. In extraordinary circumstances, if the student wishes to be accompanied by legal counsel, for advisory purposes only, he/she shall include his request with his/her written request for a hearing. In such cases, the College may also be similarly represented.

The Judicial Board hearing procedure shall be as follows:

1. The Chair shall introduce all present.
2. The student shall have the opportunity to present evidence and witnesses in support of his or her case. The Judicial Board shall have the opportunity to question the student and, if applicable, his or her witnesses.
3. The administrator and/or other College representatives will present their evidence and witnesses in support of their case. The Judicial Board shall have the opportunity to question the administrator and/or other College representative and, if applicable, their witnesses.
4. The student will have the opportunity to make a closing statement. After the student's closing statement, the College representative will have the opportunity to make a closing statement.
5. The Judicial Board shall deliberate in closed session. The College's attorney may sit with the Judicial Board and provide legal advice should such advice be necessary. The North Carolina Rules of Evidence do not apply and all relevant evidence shall be included in the official record; however, in reaching its decision, the Judicial Board shall weigh and consider the credibility of the presented evidence.

6. The Judicial Board hearing shall be audio recorded and that recording shall serve as the official hearing minutes.
7. Within five (5) business days of the hearing, the Chair shall, in writing, summarize the Judicial Board's decision and send a copy to the parties and to the President.
8. If any of the parties are not satisfied with the Judicial Board's decision, they may, within ten (10) business days of the date of the decision, appeal, in writing, to the President. The Vice President for Student Services shall accept the appeal on behalf of the President. The President shall review the official record and the hearing minutes. If, after his or her initial review, the President needs additional information, he or she may ask the parties to supplement the official record by responding to his or her additional questions. Within ten (10) business days of receipt of the party's appeal, or an additional five (5) business days after the official record has been supplemented, the President shall issue his or her final decision to affirm, reject, or modify the Judicial Board's decision. A written copy of the President's decision shall be sent to both parties. The President's decision shall be final, subject only to the student's right of appeal to the Board of Trustees, and ultimately to the courts. Any appeal of the President's decision must be submitted, in writing, to the Board of Trustees, within ten (10) business days of the date of that decision.

To afford a student due process and the expedient resolution of issues where it is impractical or impossible, given the situation, for a student or his/her supporting witnesses to appear and participate in their grievance in person, special accommodation may be made including: written statements, telephone conferences, electronic mail, videotape, live video, or similar means of communication. Once a student initiates this formal grievance, in writing, the complaint becomes part of the record of complaints that is maintained by the College.

Student Rights

All students at Blue Ridge Community College shall be treated in an equitable and fair manner and afforded certain due process rights in academic, discipline, and grievance matters as established in the following College procedures:

- For issues with respect to grade appeals, see Procedure 4.10.1.
- For issues with respect to academic honesty, see Procedure 4.15.3.
- For issues with respect to disciplinary matters (aside from allegations of unlawful harassment and discrimination), see Procedure 4.15.1.
- For issues with respect to sexual and other unlawful harassment and discrimination, see Procedure 4.15.1.
- For issues with respect to general grievances, see Procedure 4.16.1.
- For issues with respect to students records and the Family Education Rights and Privacy Act, see Procedure 4.23.1.
- For issues with respect to student use of computers, see Procedure 8.1.3.

As a general matter, students are free to pursue their educational goals and, in so doing, have the right to freedom of expression, inquiry, and assembly without restraint or censorship subject to reasonable, appropriate, and non-discriminatory College rules and regulations regarding time, place and manner.

Students have the right to propose improvements in policies, regulations, and procedures affecting the welfare of students through established student government procedures, campus committees, and College offices.

Tobacco-Free Campus

Blue Ridge Community College is committed to providing students, employees, and visitors a safe and healthy environment. To address this commitment, smoking and the use of smokeless tobacco products is prohibited on all College properties including inside any building or facility and on College grounds. Exceptions are only limited to smoking or the use of tobacco products inside the confines of a motor vehicle on College grounds. This shall also be known as the College's "Tobacco-free Policy."

For the purposes of this policy, tobacco products includes cigarettes, cigars, blunts, bidis, pipes, chewing tobacco, snus, snuff, e-cigarettes, and any other items containing or reasonably resembling tobacco or tobacco products, or any product simulating smoking instruments.

Academic Support

Basic Skills/Literacy Programs

Adult Basic Education (ABE): The ABE Program at BRCC is the cornerstone upon which the overall Basic Skills Program is built. ABE is a dynamic outreach program specifically targeting non-readers and other under-educated adults. A variety of traditional and non-traditional, innovative curricula have been implemented to upgrade the academic skills of this population. Special programs offered through formal partnerships with other agencies have promoted program accessibility. All classes are offered free-of-charge.

Compensatory Education (CED): The CED program is designed to provide remedial academic programs to adults who have been diagnosed as being intellectually disabled and who can provide documentation of intellectual disabilities. The program includes task-analyzed lessons in language arts, math, social sciences, consumer education, health, and community living skills. CED classes are offered at Vocational Solutions in Henderson County and Transylvania Vocational Services in Transylvania County. All classes are offered free-of-charge.

English for Speakers of Other Languages (ESOL): ESOL classes are designed for adults who are not native English speakers. Because individual needs vary considerably, instruction in reading, writing, speaking, and listening is tailored to meet individual needs. Three distinct levels are offered to help students acquire functional English competence: Beginning, Intermediate, and Advanced. All classes are offered free-of-charge.

High School Equivalency Diploma formerly known as General Education Development (GED): High School Equivalency Diploma courses are designed for adults who have not received a high school diploma. Courses prepare students for the five official High School Equivalency

Diploma tests: Language Arts-Writing, Social Studies, Science, Language Arts - Reading, and Mathematics. The High School Equivalency Diploma certifies that the graduate has achieved a level of general educational development equivalent to that of high school diploma recipients. All classes are offered free-of-charge. BRCC currently offers High School Equivalency Diploma exams from three different exam administrators. There is a fee for High School Equivalency Diploma testing set by the appropriate exam administrator, as well as a graduation fee for students completing their High School Equivalency Diploma. Graduation ceremonies are held each year.

Work Based Learning (formerly Cooperative Education)

Work Based Learning (WBL) is an educational program that combines classroom instruction with practical work experience directly related to the student's curriculum. This combined classroom study and work experience is a meaningful way for students to practice skills they have learned in their programs of study while earning college credit.

Any student enrolled in a program offering WBL for academic credit as a requirement or elective may apply. The Work Based Learning Office will make the final determination of a student's acceptance into the program based on selection criteria. These criteria include, but are not limited to, the student's prior experience, academic status (minimum 2.0 grade point average) and position availability. After determination of WBL status, the Director will be responsible for locating or approving an appropriate work assignment. Students accepted for WBL must have completed nine (9) credit hours, three (3) of which are required to be in their prescribed program of study. Students who are approved for WBL must register with the WBL Office and attend an orientation before going to their assignments.

A student may earn up to four credit hours during any one semester, with the allowed maximum credit hours differing for each curriculum.

WBL is an open enrollment program, which means students have the option of enrolling during the semester, not only at registration.

Benefits to the Student

- Gain work experience in one's chosen field of study
- Practice marketable skills
- Explore career interests
- Earn academic credit toward one's degree
- Enhance one's résumé
- Meet job placement and employment contacts
- Develop confidence, responsibility, and greater human relations skills
- Explore one's own abilities in relation to a real job
- Develop references
- Be considered for a full time job at one's work based learning site after WBL is complete

Distance Education

In an effort to better meet the needs of its students, Blue Ridge Community College may offer courses through distance education. Such courses are offered to improve access and provide increased flexibility in scheduling. These courses may include telecourses, teleweb courses, online courses, or courses via broadcasting technologies. Blue Ridge Community College strives to ensure that the quality and content of these courses are the same as for traditional, classroom courses. A qualified, competent instructor serves as facilitator for each course offered through one of these methods of delivery. The following guidelines will govern delivery of these courses:

- All academic policies, including, but not limited to, admissions, credits, degree completion, academic honesty, dropping and adding classes, repetition of courses, course withdrawal, grading, student conduct, computer usage, grievance procedure, and due process for distance education courses are the same as those for traditional classroom courses.
- In cases of student grievance or disciplinary matters, where it is impractical for a distance education student to appear in person to be heard, to afford the student due process and expedient resolution of issues, special accommodation may be made (e.g., written statements, telephone conferences, electronic mail, video tape, live video, or similar means of communication).
- Beginning and ending dates for distance education courses are aligned with the College calendar.
- Blue Ridge Community College guidelines for tuition and materials will apply.
- The student must meet prerequisite requirements for distance education courses unless a Waiver of Prerequisites form is completed with the consent of the advisor and the instructor of the course.
- The student is strongly urged to have updated computer skills (within the previous three years) before attempting an online course.
- The student is required to have access to the appropriate technology (including software and hardware) for the distance education courses for which he/she registers.
- Blue Ridge Community College faculty teaching distance education courses will attempt to contact students enrolling in these courses. It is suggested that the student contact the instructor at the time of registration for the course to provide necessary information (e.g., current mailing address, email address, or phone number). Ultimate responsibility for contact rests with the student.
- A student enrolled in online classes is required to complete an online orientation or attend a scheduled orientation in person. All students registered for Internet, Hybrid, or Web based classes are automatically enrolled in the online orientation which can be accessed from the login page of Moodle at <http://moodle.blueridge.edu>.
- The student is required to attend any scheduled orientation sessions, review sessions, or test sessions.
- The student must communicate with the instructor at least once a week unless more communication is necessary to

meet course requirements. A student who fails to maintain this communication may be dropped from the course for nonattendance.

- Materials will be faxed or mailed when necessary and feasible.

Due to Federal requirements outlined in the Higher Education Opportunity Act (HEOA) of 1965 as reauthorized in 2008 and amended in October 2010, all U.S. states require post-secondary educational institutions to be legally authorized to provide post-secondary educational instruction in their states. Specifically, BRCC must obtain State Authorization prior to offering online/distance education programs or courses to students residing outside of North Carolina. Please refer to college website for updates regarding state authorization.

Before registering for a distance education course the student should access the Distance Learning Home page on the college website at www.blueridge.edu. This site provides a self-assessment to assist the student in determining whether this mode of learning is consistent with personal study habits and learning styles. Links are also provided to technology requirements, general information about distance education at Blue Ridge Community College, and a listing of distance education courses.

The student enrolled in distance education courses may access the Blue Ridge Community College Library and online resources through links provided on the College website at www.blueridge.edu. This Web page has links to websites that provide access to other libraries, resources, and services such as NC LIVE. Use of some resources requires a Student ID Card which can be obtained in the College Bookstore.

There are no fees solely associated with Distance Learning courses or with verification of student identity.

Library

The Library's mission is to serve as a resource center for the College with books and other materials particularly adapted to the objectives and curricula of Blue Ridge Community College. Audiovisual materials, electronic resources, and other resource materials augment the instructional programs. Microfilm and microfiche readers, as well as photocopy services, are available for use. A variety of opportunities is provided for serious study and leisure reading by students, faculty, staff, and community patrons. The Library is located at the front entrance of the William D. Killian Building. The Library has approximately 34,000 volumes, and subscribes to 250 periodicals and 11 newspapers.

Library services at the Transylvania County Campus include online access to research materials and a direct link to the automated card catalog located on the Henderson County Campus. Students also have access to a collection of approximately 500 volumes. Other services include

audiovisuals, interlibrary loans, and networking resources. Through a cooperative agreement, the James A. Jones Library of Brevard College provides additional library services for the Transylvania County Campus.

College and Career Readiness Center

The College and Career Readiness Center is located on the second floor of the Continuing Education Building on the Henderson County Campus and in the Straus Building on the Transylvania County Campus. The College and Career Readiness Center instructors provide seated classes and academic assistance to help students succeed in Adult Basic Education (ABE) and Adult Secondary Education (ASE). Students may enroll in ABE with or without a high school diploma or high school equivalency diploma. Students enrolled in ASE may pursue completion of a high school equivalency diploma, or if already high school graduates, may brush up on academic skills to become college-ready.

Student Success Center

The Student Success Center (SSC) is located in the General Studies Building on the Henderson County Campus and in the Straus Building on the Transylvania County Campus. The SSC provides academic support to students in curriculum and developmental courses through the use of one-on-one instruction, peer and faculty tutoring, computerized and video instruction, workshops, and information sessions. A Student Success Center instructor is always available, during SSC open hours, to provide assistance.

Faculty Tutoring: The English and Math Labs are located in the Student Success Center and are staffed by curriculum faculty to provide additional instruction, outside the classroom. Students can drop by for assistance or be referred by an instructor. Faculty tutoring in other subjects, such as computer information technology, is also offered in the SSC. Hours of assistance vary each semester according to instructor schedules. Contact the SSC for more information.

Peer Tutoring Program: Students who need supplemental instruction in a particular course can receive free tutoring from an instructor recommended student who excels in the same subject. Tutors are paid by the hour, with College funds. Any student interested in receiving tutoring or becoming a tutor can contact the Student Success Center or see an instructor. Peer tutors must have an instructor recommendation to tutor.

Remediation: Students needing assistance with developmental courses or with making up a grade of incomplete in developmental reading or English (DRE courses) can come to the SSC for assistance.

Workshops: Workshops on topics including test taking strategies, note taking, and study skills are offered periodically throughout the semester and are free to anyone at BRCC.
