

2017 EHSI SAFETY LEADERSHIP CONFERENCE

**Craven Community College
New Bern, NC
April 11-13**

Registration: April 11, 2017 at 12:00 pm

The 2017 EHSI **Safety Leadership Conference** will be an excellent opportunity for Campus Safety Directors, Maintenance Supervisors and Senior Maintenance Personnel to learn more about best practices in the Health and Safety Field. EHSI, members of Hazardous Material Training Research Institute (HMTRI), and the Safety and Health Council of NC will be offering a comprehensive Maintenance Supervisor Safety training agenda for Safety Leadership during this customized 3-day workshop. Your attendance at this conference counts 7 hours toward your MESH Certification.

Agenda Highlights

- Hazard Awareness
- PIT/Boom/Scissor Lift
- Lockout Tagout
- Electrical Safe Work Practices
- Walking Working Surfaces
- Machine Guarding
- Permit Required Confined Space
- Training/Recordkeeping Requirements
- (7 MESH hours)
